Description

The Nevado Huarapasca is one of the most climbed mountains in the Cordillera Blanca to carry out a good acclimatization and then ascend to higher mountains.

Itinerary

Nevado Huarapasca

Detalles de Escalada:

Altitud Entre : 4,750 / 5,420 m.

Duración : 1 Día

Ruta : Cara Este

Dificultad : Medio exigente

Temporada : Todo el año

Inicio : Quebrada Pastoruri

Programa:

Día 1 Huaraz / Campo Base (4,750 m) / Cumbre (5,420 m)

Salida muy temprano en nuestro transporte privado, hacia el sur de la ciudad de Huaraz con dirección a catac y luego desviaremos de pachacoto por la ruta a Pastoruri hasta llegar al campo base, desde este lugar iniciaremos a ascender por la morrena de rocas hasta alcanzar el glaciar, luego de colocarnos nuestro equipo de montaña y encordarnos inicia nuestra experiencia por una pendiente de hielo con una inclinación de 60° con dos largos muy bonitos y verticales de 50 metros y una rampa de salida con 40° que conduce hasta la plataforma, continuaremos ascendiendo por una pendiente moderado hasta la cumbre, se pueden distinguir la cordillera huayhuash y otras cumbres de la cordillera blanca, el descenso es por la misma ruta por medio de rapeles, y luego a Huaraz. **(D, A)**
